## **CREW CAMP**

Kim's Gym invites teens and youths entering grades 6 through 9 to join us as crew members at our summer camps. These helpers assist our group coaches and are essential to each session's success. Our crew members will be trained to positively interact with the campers, and the experience is truly fulfilling on both sides. We love having our crew, and the campers do too! Our crew members also learn the value of hard work. At the end of each session there will be a partial tuition reimbursement. Your child will have a blast and be a valuable member of our team!
